BAKING INSTRUCTIONS

Step 1

Use parchment paper
and place frozen pieces
on the tray, separated
one from each other 2".

Step 2

Pre-heat oven at
375°F, *275°F if using
a convection oven.

Step 3

Once the oven has reached the
desired °F degrees, place the
tray(s) of product in the oven
using oven mitts. And bake for
15–18 mins or until golden brown.

Step 4

Remove from the oven taking
precautions not to burn yourself. When
the product reaches the desired color,
remove the product immediately
wearing an oven mitt. Let the product
cool off 5 minutes before putting it on
the selling shelf.
