BAKING INSTRUCTIONS

Step 1

Cover baking sheet with pan liner and place each individual frozen cheese bread on pan liner, leaving a space of 2in between each other.

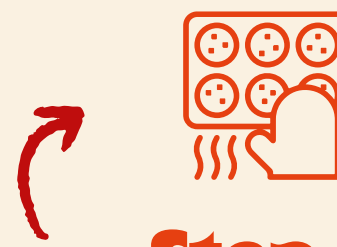

Step 2

Pre-heat oven at 410°F (for convection oven 310°F).

Step 3

Place tray in the oven and bake for 23-27 minutes or until golden brown.

Step 4

When product reaches desired color, remove from oven carefully wearing oven mitts.

Step 5

Let product cool down for 5 minutes before exhibiting for sale.

*Time and temperature parameters are indicative and may vary depending on your oven.
